For and on behalf of

This Appendix serves as an explanatory statement as required under the Listing Rules, to provide further information to you for consideration of the Repurchase Mandate. Neither this explanatory statement nor the proposed granting of the Repurchase Mandate has any unusual features.

A A A

As at the Latest Practicable Date, the Company had 3,323,771,133 Shares in issue or an issued share capital of HK\$332,377,113.30. Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and on the basis that there is no further change in the issued share capital of the Company from the Latest Practicable Date to the date of the AGM, the maximum number of Shares which may be repurchased by the Company pursuant to the Repurchase Mandate will be 332,377,113 Shares, representing 10% of the total number of Shares in issue as at the date of passing of the relevant resolution at the AGM (assuming no Share is issued between the Latest Practicable Date and the date of the AGM).

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

Subject to the compliance with the Listing Rules and all applicable laws and regulations, the Company may cancel any Shares it repurchased and/or hold such Shares as Treasury Shares for subsequent sale or transfer subject to consideration of factors including market conditions and the Group's capital management needs at the relevant time of the repurchases.

A A

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles, the Listing Rules and the applicable laws of the Cayman Islands.

On the basis of the financial position of the Company as at 31 December 2024, being the date to which the latest published audited accounts of the Company were made up, the Directors consider that if the Repurchase Mandate was to be exercised in full, it might have a material adverse impact on the working capital position and gearing level of the Group. The Directors will not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the Group's working capital or the gearing position of the Group which in the opinion of the Directors are from time to time appropriate for the Company.

To the extent that any Treasury Shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

If, as a result of any Shares repurchase made by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of the Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholders' interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

In the event the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, none of the Shareholder or group of Shareholders acting in concert in the Company would increase their percentage shareholding to 30% or above of the issued share capital of the Company (assuming no Share is issued between the Latest Practicable Date and the date when the Repurchase Mandate is exercised in full and taking no account of any Shares that may be issued upon exercise of share options that may be granted under any share option scheme as may be adopted by the Company). The Directors are not aware of any consequences of such repurchases of Shares that would result in any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate were exercised in full. Moreover, the Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

In the event that the Repurchase Mandate is exercised in full, the number of Shares held by the public would not fall below 25% of the total number of Shares in issue. In any event, the Directors will not make share repurchase on the Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.

A A A A

The Company did not repurchase Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
